

English

As apart of our new English scheme, we will be diving into the story 'The Lion, The Witch and The Wardrobe.

We will be looking at how the story is described in the book in comparison to the film and how to make inferences based on what a character says or does to be able to write our own similar story!

Maths

We will learn about place value or numbers within 1,000.

We will build on our previous knowledge about the 4 mathematical operations; addition, subtraction, multiplication and division.

Beech Class Curriculum Newsletter

Computing

We will be learning how to stay safe online, whilst discover how we are online differs to our offline identity.

Foundation Subjects

In History we will be learning about the Ancient Maya Monuments. We will gain an understanding the different mountains in our world. In

R.E. we will be learning about Christianity. In music we will be discovering music in nature and the Three-Chord Pop. In art we will be using sculpture and becoming culinary chefs by Christmas ginger biscuits in D.T.

A message from Mrs Jones

I'm very excited to be welcoming you into Oak Class this year as we will be learning and creating key memories together!
Each Friday afternoon, Mrs Young will be teaching the class.

If you have any questions or worries concerning your child, please speak to me at home time.

Science

This term, we will be learning about forces, including how gravity pulls objects towards the Earth, how air resistance, water resistance and friction affect movement, and how mechanisms such as levers, pulleys and gears can make work easier by increasing the effect of a force.

PE

On Thursdays, Mr. Sharp will be teaching us skills used in hockey. Later in the term we will practice badminton skills.

Homework

Homework will be set fortnightly and can be completed in the orange homework book, unless otherwise stated, and should be completed by the date given. Children will also be set a weekly Times Tables Rockstar tournament for Top Rockstar!
