

RE Year Group Spaced Assessment Overview 2026-2027

EYFS

Assessment is informed by the EYFS Framework, children's responses and observations. Learning is linked to the Lancashire Agreed Syllabus for Religious Education where appropriate.

Year Groups 1-6

At the end of each unit:

Teachers use the Lancashire SACRE scheme outcomes, key knowledge, vocabulary and concepts to assess what pupils know, understand and can explain. Evidence may be taken from pupils' books, class discussion and the final response to the focus question.

Example:

Lancashire unit outcome	Not yet evident	Developing	Secure
Knows Christians refer to God as 'Father'	☐	☐	☐
Can explain why Christians might compare God to a loving parent	☐	☐	☐
Can talk about how and why Christians might pray/talk to God	☐	☐	☐
Can suggest a meaning/use for an item, word or action associated with Christian prayer	☐	☐	☐

Spaced / Distance-from-Learning Assessment:

Children complete an end-of-unit quiz based on the unit focus question. The quiz checks recall and understanding of the key knowledge, vocabulary, beliefs, practices and concepts taught through the Lancashire SACRE scheme. Where appropriate, questions also revisit important learning from previous units to support long-term retention. Quizzes can be found in the shared drive under RE.
