

# Unit 1

## Place value – 4-digit numbers 1

We will need some maths words. Which ones have you seen before? What do they mean?

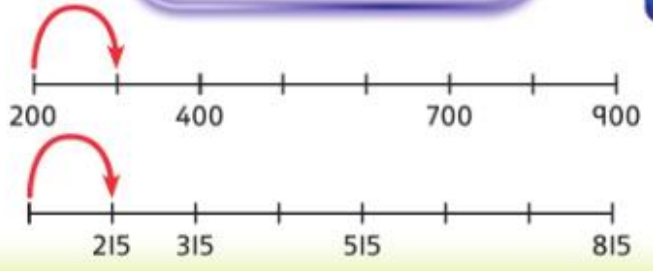

- |               |           |               |
|---------------|-----------|---------------|
| tens          | hundreds  | thousands     |
| rounding      | order     | more than (>) |
| less than (<) | partition | numerals      |
|               | nearest   | distance      |

In this unit we will ...

- ⚡ Round numbers to the nearest 10 or 100
- ⚡ Count in 1,000s
- ⚡ Represent 4-digit numbers
- ⚡ Use number lines
- ⚡ Learn about Roman numerals

Do you remember how to count in 100s?

We need to compare numbers too! Use the signs  $<$ ,  $=$  or  $>$  to make the number sentence correct.
