

Unit 1

Place value within 10,000,000

In this unit we will ...

- ⚡ Learn to read and write numbers to 10,000,000
- ⚡ Partition, compare and order numbers up to 10,000,000
- ⚡ Round numbers
- ⚡ Work with negative numbers

Do you remember what this is called?
We will use it to help identify the place value of digits in a number.

M	HTh	TTh	Th	H	T	O
1	0	0	0	0	0	0

We will need some maths words. Can you explain the words you have met before?

	ten thousands (10,000s)	
	hundred thousands (100,000s)	
millions (1,000,000s)		ten million (10,000,000)
place value	partition	interval
estimate	compare	order
rounding	negative	positive

We will use this too! Can you find what the unlabelled values are?
