

Maths Year Group Curriculum Overview 2025/2026

Autumn

Spring

Summer

EYFS Hazel Class

Number and place value - numbers to 5
Number and place value – comparing numbers within 5
Geometry – properties of shape – shape
Number – addition and subtraction within 5
Number and place value – change within 5
Geometry – properties of shape – space
Measurement - time

Number and place value – numbers to 10
Number and place value – comparing numbers within 10
Number – addition and subtraction – addition to 10
Number and place value - Measure
Number – addition and subtraction – number bonds to 10
Geometry – shape and space – exploring patterns

Number – addition and subtraction - counting on and counting back
Number and place value – numbers to 20
Number – multiplication and division – numerical patterns
Number and place value - measure
Geometry – properties of shape – shape
Number and place value - Measure
Number – addition and subtraction – sorting
Measurement - Time

Y1 Maple Class

Number and place value – numbers to 10
Number and place value – part – whole within 10
Number – addition and subtraction within 10
Geometry – properties of shape
Number and place value – numbers to 20

Number – addition and subtraction within 20
Number and place value – to 50
Measurement – length and height
Measurement – weight and volume

Number – multiplication and division
Number – fractions – halves and quarters
Geometry – position and direction
Number and place value – to 100
Measurement – time
Measurement - money

Y2 Willow Class

Number and place value – to 100
Number – addition and subtraction
Measurement – money
Number – multiplication and division

Number – multiplication and division
Statistics
Measurement – length and height
Geometry – properties of shape
Number - fractions

Geometry – position and direction
Number – addition and subtraction
problem solving
Measurement – time
Measurement – weight, volume, and temperature

<p>Y3 Oak Class</p>	<p>Number and place value – within 1,000 Number – addition and subtraction Number – multiplication and division</p>	<p>Number – multiplication and division Measurement – money Statistics Measurement – length Number - fractions</p>	<p>Number – fractions Measurement – time Geometry – properties of shape and angles Measurement – mass Measurement - capacity</p>
<p>Y4 Rowan Class</p>	<p>Number and place value – 4-digit numbers Number – addition and subtraction Measurement – perimeter Number – multiplication and division</p>	<p>Number – multiplication and division Measurement – area Number – fractions Number – decimals</p>	<p>Number – decimals Measurement – money Measurement – time Statistics Geometry – angles and 2D shapes Geometry – position and direction</p>
<p>Y5 Beech Class</p>	<p>Number and place value within 1000,000 and 1,000,000 Number – addition and subtraction Statistics – graphs and tables Number – multiplication and division Measurement – area and perimeter</p>	<p>Number – multiplication and division Number – fractions Number - decimals Number - percentages</p>	<p>Number – fractions, decimals & percentages Geometry – properties of shape Geometry – position and direction Measure – converting units Measure – volume and capacity</p>
<p>Year 6 Sycamore Class</p>	<p>Number and place value within 10,000,000 Number – four operations Fractions Geometry – position and direction</p>	<p>Number – fractions, decimals & percentages Algebra Measurement – Imperial & metric Measurement – perimeter, area & volume Ration & proportion</p>	<p>Geometry – properties of shape Number and place value – problem solving Statistics</p>
