

English

We will be reading the *The Incredible Book Eating Boy* to guide us in writing our own narrative piece.

We will also learn how to write in a diary format, using the book *The Last Bear*.

Maths

We will be learning about fractions, and properties of shapes and angles. We will also learn about measuring mass and capacity and building on their prior knowledge of time.

Oak Class Curriculum Newsletter

Computing

We will be learning how to stay safe online, whilst finding out how to plan, film and edit and video trailer.

Foundation Subjects

In History, we will be learning about Ancient Civilisation – Ancient Egypt. We will explore the mountains in Geography.

In R.E. we will be learning about Christianity and Sikhism. In music we will be finding out about Jazz.

In Art we will be developing the skills of sculpture and expanding our knowledge or cooking and nutrition by creating a seasonal tart in D.T.

A message from Miss Taylor

Welcome back! I hope you all had a fantastic Easter break. We've got a busy term ahead, full of fun activities, and plenty of opportunities to learn and grow.

This Summer term, Oak Class will continue to do Forest School on Friday afternoons, please ensure they bring their forest school clothes to change into - fingers crossed for some warmer weather! If you have any questions or worries concerning your child, please speak to me at home time.

Science

We will be investigating what plants need to grow well. Later in the term, we will be learning the parts of flowering plants and their functions, including the function of the flower in the plant life cycle.

PE

On Thursdays, Mr Sharp will be teaching us striking and fielding in cricket. Later in the term we will practice our athletic skills.

Homework

Homework will be set fortnightly and can be completed in the orange homework book, unless otherwise stated, and should be completed by the date given. Children can also log on to spelling shed, Times Table Rockstars.
