

English

We will be writing our own Biography about the Scientist 'Nikola Tesla' and finding facts to support our writing. We will also be studying a variety of historic diaries to assist us on writing our own Viking Diary on 'How we lived in Ancient Times'

Maths

We will continue to practice arithmetic questions using all four operations. We will develop our understanding of the topics: Fractions, Decimals, Money and Time. With the topics of Geometry and Statistics following later in the term.

Computing

We will learn about the processes involved in designing our own website and then use this knowledge to create our own websites. We will also explore the importance privacy and security in our online safety sessions.

Foundation Subjects

As historians, we will learn about the invasion of the Anglo Saxons with the Vikings. As explorers in Geography, we will be diving into the Amazon Rainforest. In RE, we will expand our knowledge of Christianity and Sikhism. In PSHE, we will learn how our bodies grow and change.

Rowan Class Curriculum Newsletter

A message from Mr Glynn

This term we will start rehearsals for our summer Production.

Forest School will continue to be on a Tuesday in the morning. As the weather improves, you can send in named sun cream for your child to apply throughout the day. As we near to the Multiplication checks, it is vital that you are encouraging your child to complete the weekly Times Table Rockstars Sound-check homework.

We will also have our class trip in July, more updates on this will come later in the term.

If you ever have any questions, please speak to me at home time.

Science

We will learn about Electricity and how to build our own electrical circuits. Later in the term we will be discovering the different changes of states and through different experiments will be seeing how different states can change.

PE

Each Thursday, Mr Sharp will teach us for PE. He will help us learn and develop our skills to play the striking and field game of Rounders. We will also practice a range of athletic events in preparation for our annual sports day.

Homework

Homework will be set each fortnight and include a writing task to be completed in your child's orange book. The children can log in to Spelling Shed and Times table Rockstars to access additional activities.
