

English

In English, we will be looking at a range of genres including instructions, reports, stories and fables. Within each lesson, there will be a focus on spelling, punctuation or grammar.

Maths

We will be continuing our study on mass, capacity and temperature. We will shortly be moving on to fractions and being able to recognise half, quarters and wholes. Following on from this we will start to look at time and being able to read the time to 5 minutes. Every day the children will complete arithmetic and times table questions.

Maple Class Curriculum Newsletter

Computing

In computing the children will be learning about two online safety topics which are privacy and security and well being and lifestyle. They will be also be learning about programming and data.

Foundation Subjects

In Geography, we will be focusing on hot and cold places and why climates are different around the world. In History, we will be focusing on Thornton Windmill and why the windmill was an important building for Thornton. In Art, we will be exploring photography. In RE, we will be learning about Christianity and the significance of Jesus. In D.T. we will be looking at mechanisms by making moving monsters. We will also be looking at Hinduism and how they show devotion to their faith.

A message from Miss Smith

Welcome to the Summer Term! I hope you had a lovely Easter. Here is an outline of what we will be learning this term. Thank you for your support in your child's learning and if you have any questions, please don't hesitate to ask.

Science

We begin the term learning about feeding and exercising. In Summer 1, we will be using our knowledge from our previous D.T topic which was on balanced diet. After this we will be looking at plants and seeing how we can identify a variety of common and wild garden plants.

PE

This term, PE continues to take place on Thursday mornings and will be delivered by Mr Sharp. The focus is on striking and fielding. It will then move on to athletics.

Homework

Children will continue to receive homework on a fortnightly basis. Children are encouraged to access Spelling Shed and also Times Tables Rockstar's for regular times tables practice. Thankyou for completing the written tasks aswell, it has been great to see the children continue their learning at home.
